

REMARKS

Responsive to the requirement for restriction, applicant elects Group II, the dock attachment, without traverse.

It is believed that all the claims now in the case are readable on that embodiment.

Some confusion may have resulted from the inclusion of Fig. 5 reference numerals in the claims. These have now been deleted in order that it will now be clear that it is the dock variation, not the vehicle variation, to which the present claims are directed.

An action on the merits is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
